

Evidentiary Science

THE BOUNDARIES

TWELVE EVIDENTIARY SCIENTIFIC DEMANDS ON THE BOUNDARIES OF THE QUANTIFICATION AND QUALIFICATION OF UNDERSTANDING:

- 1) DOES IT HONOR GOD? (ALL TRUTH HONORS GOD, or reveals its true nature as anti-truth, or opposition)
- 2) DOES IT MAKE “SENSE?” HOW DOES IT FEEL TO YOUR MIND, BODY, AND SPIRIT?
- 3) CAN YOU SEE IT CLEARLY IN YOUR MIND’S EYE—OR MUST YOU STRUGGLE TO FOCUS?
- 4) IS IT PROVABLE BY SCIENCE, UNDERSTANDABLE BY PHILOSOPHY, AND PERCEIVABLE BY ART?
- 5) IS IT APPLICABLE IN ALL DIMENSIONS (HISTORICAL, CONTEMPORARY; RELIGIOUS, SCIENTIFIC; ETC.)
- 6) DOES IT SOLVE A PROBLEM? IN SOLVING IT, DOES IT LEAD TO THE SOLVING OF OTHER PROBLEMS?
- 7) DOES IT OBEY NATURAL LAW? Is it *sane*? (NOT CONSTITUTIONAL, BUT NATURAL LAW)
- 8) DOES IT RECONCILE? (DOES IT UNITE TWO DISPARATE ELEMENTS INTO ONE HARMONIOUS WHOLE?)
- 9) DOES IS UNITE? (DOES IT UNITE SEPARATE BUT SIMILAR ELEMENTS INTO ONE CONTINUOUS WHOLE?)
- 10) DOES IT VECTOR INWARD ALL THINGS UNTO ITSELF, WHILE VECTORING ITSELF OUT TO ALL THINGS?
- 11) IS IT UNIVERSAL?
- 12) DOES IT *ultimately* FOLLOW ANTI-CHAOS THEORY?

If it does not conform to all twelve, then it falls outside the boundaries of Evidentiary Science, and PARRC Research, Inc.
